

Desenes de persones gaudeixen del Festival Gar Gar de Penelles

El certamen, que coincideix amb la 6a Fira del Món Rural, porta diferents murals i art rural als carrers d'aquest municipi

Desenes de persones es van passejar ahir per gaudir dels diferents murals del Gar Gar, el festival de Murals i Art Rural.

Penelles va continuar ahir els dies forts del segon Gar Gar, el festival de Murals i Art Rural, que enguany coincideix amb la celebració de la 6a edició de la Fira del Món Rural.

En aquest segona edició del Gar Gar hi participen una trentena d'artistes d'arreu del món. L'objectiu del certamen és difondre l'art urbà i rural donant valor i visibilitat a altres formes d'intervenció artística en l'espai públic. Aquest dies, i fins demà, Penelles

ESTE SORTEO ADJUDICA 4.155.100 DÉCIMOS PREMIADOS POR UN IMPORTE TOTAL DE 84.000.000 DE EUROS

INSTRUCCIONES PARA LA CONSULTA DE ESTA LISTA

1.º Compruebe si la fecha del sorteo y el dibujo que figuran en la parte superior de la lista coinciden con los de su billete o décimo.
2.º En cada columna, y sólo en ella, están todos los premios y reintegros que han correspondido a todos los números que terminan con la cifra grande que la encabezaba, clasificados en dos grupos: números completos y terminaciones.

Por ejemplo, si su número termina en 1, ha de fijar su atención únicamente en la columna encabezada con un uno. Los premios indicados en la columna «euros/billete» son los que corresponden a un billete, o sea, a diez décimos.
3.º Vea si en la columna de números aparece el que Vd. juega y, si así fuera, a la derecha encontrará acumulado el importe total de los premios que han correspondido al billete.

4.º Si no está su número completo puede tener premio en el grupo de terminaciones. Si las hay de cuatro cifras y su número las tiene igualmente dispuestas, a la derecha encontrará el total de premios que han correspondido a todos los números que terminan con esas cuatro cifras. Si no tiene premio por terminación de cuatro cifras, o no las hay, proceda en la misma forma con las terminaciones de tres cifras, en su caso con las de dos y, finalmente, con las de una.
